

~~Notice of Request~~

I, Darrell Williams, previously filed a compassionate release with this Honorable Court. I would like to request this Court to grant me to proceed without exhausting Admin's Remedy, due to the fact that I am ~~now~~<sup>now</sup> exposed to COVID-19, as my current location has become infected with 42 inmates infected and 2 staff members infected by the virus. I am currently pending a response from the Warden but filed with the Court due to the fact COVID-19 does not promise everyday to anyone. But if this Honorable Court chooses to not allow me to proceed. I would like to request a stay be placed until exhaustion is complete.

Executed Date: 4-13-2020
